MESSAGE FROM THE PRINCIPAL

Assalamu Alaikum,

It is my great pleasure to address you all through another edition of our yearbook. As we come to the end of another academic year, I look back and see a busy year that saw many events, many new initiatives and new successes. I am immensely proud of our students and faculty for their hard work and dedication throughout the year.

As we reflect on the past year, we are reminded of the values that guide us as a school community: Ihsaan, Ikhlaas, Taqwa, Hikmah and I'tidaal. These values echoed throughout the year through different elements of our curriculum. A glimpse of the same can be seen in the work of our students, selected for this yearbook.

I would also like to express my gratitude to our publications team, supported by our academic departments, for their consistent and tireless efforts in bringing this compilation to you.

Finally, I am thankful to Allah for giving us this opportunity to serve this noble mission. May Allah bless our school community and guide us in all our endeavors.

Jazakum Allahu Khairan

Fahad Haroon

EDITOR'S LETTER OF THANKS

Assalam o Alaikum readers,

Presenting to you the second volume of Yearbook for 2022 - 2023.

In Shaa Allah you will certainly enjoy going through it as much as we did compiling and reading it along.

Our young 'Reflectors' will impress you with their English, Urdu and Arabic writing skills where they'll take you to a fantasy world of theirs or excite you with a thrilling and adventurous story, not to forget the beautiful artistic strokes of an abstract piece of art.

I would like to thank all those involved in getting the best out of our students, special appreciation for Ayesha Sultan, Mehreen Faraz, Aasma Agha, Sidra tul Muntaha, Sahar Munir Khan and our Principal Mr. Fahad Haroon for his valuable suggestions and having confidence in us.

Embark yourself on this exciting journey.

Happy Reading !

MESSAGE FROM THE HEAD LIBRARIAN

“Reading is essential for those who seek to rise above the ordinary.”

– Jim Rohn

Reading provides a gateway to new worlds, the readers’ understanding, imagination and improving their language and communication skills.

Reflections Library encourages students for independent learning and helps them explore their interests. It impacts positively on the academic performance and achievements of the students. We encourage fiction reading that helps students develop the habit of reading for pleasure and enhances their intellectual, cultural, artistic and emotional growth.

This year, Reflections Library has introduced a Scrabble Club. Scrabble isn’t only a game of words and vocabulary, it has a wealth of benefits for children, from developing social skills in a friendly environment, to memory training and even learning how to spell. Classes were conducted by a professional coach from Pakistan Scrabble Association and our students represented our school and scored very well in different Inter school and Ranking Competitions.

To keep motivating our students and creating a healthy competitive environment we had a number of events this year as well:

- Megathon - The Library Contest
- Reflections Scrabble Championship
- Mystery Reader
- Behind The Curtains - Puppet Show

Following are some more ways to encourage our students for quality reading.

- Comprehension Companion
- Superstar Reader
- Amazing Book Review
- My Reading has Improved
- Star Reader
- I was Well Disciplined Today

MESSAGE FROM THE PHYSICAL EDUCATION INCHARGE (MALE)

End to an explosive year for the sports department, with several outstanding achievements.

We participated in 26 inter-school events which were organized throughout the city. In addition to that 7 events were hosted at Reflections.

Our inter-house tournaments were also a roaring success. The year also saw a lot of collaborations with other school with many friendly matches being played, allowing our students to compete and showcase their talents in a less formal environment.

In addition to our regular events, we introduced two new events this year - athletics championship and a sports excursion trip. These events were met with great enthusiasm and participation, and we look forward to expanding them in the coming year.

We also organized a workshop for our teachers, providing them with valuable insights into the latest trends and techniques in sports coaching.

Best of all, Alhumdulillah, our students achieved a total of 20 victories across all events. We were winners in 6 interschool events, runner-up in 8 events, and secured 3rd position in 6 events. These achievements are a testament to the hard work and dedication of our students and coaches.

I look forward to building on these successes and continue to provide our students with opportunities to excel in sports in the coming year.

MESSAGE FROM THE PHYSICAL EDUCATION INCHARGE (FEMALE)

Alhumdulillah, this was a year for many new initiatives in sporting activities for girls. The year saw our girls participating in the first interschool competition outside school. The year also saw the commencement for football for girls and introduction of crossfit not only as a game, but also as a part of our Annual sports day.

This year, our girls made us super proud by winning various interschool events and also securing a second position in a national gymnastics event. Overall, our teams participated in 7 different Interschool games and we secured positions in six of them, Alhamdulillah.

Our female sports teachers also contributed to this exciting progress through their enthusiasm and hardwork.

The highlight of the year was our "All Karachi Girls Basketball Tournament" for under 15 & under 17 girls. Our girls secured titles in both categories.

In addition, our girls also participated in interhouse contests, friendly matches and alumni matches.

Hoping for more success in coming years, Ameen.

MESSAGE FROM THE ARABIC HEAD (FEMALE)

ریفلیکشنز اپنے طلباء میں نہ صرف عصری علوم سے بہرہ ور کر کے تعلیمی صلاحیت پیدا کر رہا ہے بلکہ وہ انکو قرآن و حدیث، سیرت، و تفسیر کے علوم سے آراستہ کر کے الحمد للہ ان کے اندر تہذیبی شعور بھی اجاگر کر رہا ہے۔ جس کے نتیجے میں بچوں کے دل کی دنیا دین جیسی بیش قیمت متاع زندگی سے بھر رہی ہے۔

یہ تاثر انکی تحریروں میں بھی عیاں ہے اور طلبہ کے تعلیمی معیار کو بڑھانے کیلئے IGCSE کے نصاب کا انتخاب کیا گیا اور اس میں جدید معیاری عربی میں موثر طریقے سے بات چیت کرنے کے لیے قراءہ اور انشاء کے ساتھ حوار اور استماع کا اضافہ کیا اور سال ہذا میں عربی لغت کا ان چاروں اسباق سے طلبہ اور طالبات کا تشخیصی جائزہ لیا جاتا رہا۔ اس کی مضبوطی کے لیے باقاعدہ فراست عربی کا پروگرام بھی رکھا گیا۔

اس کے علاوہ رمضان المبارک کے بابرکت مہینے میں حدیث کے علمی مسابقہ کا بھی انعقاد کیا گیا جو اسلامی معلومات پر مشتمل رہا اور الحمد للہ بچیوں کی عملی زندگی کو سنوارنے کا سبب بنا۔

اسی طرح یہ نونہالان ریفلیکشنز دنیاوی اور اخروی ترقی کی شاہراہ پر قدم رکھ رہے ہیں اور ایک اچھے تعلیم یافتہ انسان ہونے کے ساتھ ساتھ ایک اچھے مسلمان بھی بن رہے ہیں۔ انشا اللہ یہی بچے اپنے والدین کے لئے دنیا اور آخرت میں قیمتی سرمایہ ثابت ہوں گے اور قوم و ملت کے لئے باعث افتخار بنیں گے۔

MESSAGE FROM THE CLASS TEACHERS NURSERY A

Children need the freedom to appreciate the infinite resources of their hands, their eyes and their ears, the resources of forms, materials, sounds and colors.

Our young children did numerous activities during the whole year, starting from Bake Sale to Pet show, celebrating all the things red in colour to having fun in Winter Gala, learning healthy eating habits to taking care of their oral hygiene and last but not the least the stage presentation where they excelled with flying colours.

The child's only wish at this age is to "Help me, to help myself".

MESSAGE FROM THE CLASS TEACHERS NURSERY B

Dear Students,

It has been a great fun-filled year for us, starting with excitement, leading toward settlement and understanding. Life felt like a roller coaster throughout the year with so many happenings like Sports Day for the first time in our young children's life along with so many activities happening daily. The most special one was the stage presentation in which they came across an entirely new concept to face the world by showing off their talent on stage which needed immense confidence and courage. They did an awesome job and were praised for it as well.

We have made so many memories along with a productive time of learning and growing. JazakAllah to all of you for making us proud as your teachers. You all have made our efforts and hard work meaningful. Best wishes for your future endeavours.

Children are great teachers as they teach you life's most valuable things like patience, curiosity, kindness, determination and trust. And most importantly they teach you what it means to love and be loved unconditionally.
