BALANCED EDUCATION To provide holistic learning to nurture the body, mind and soul.

MESSAGE FROM THE PRINCIPAL

Assalamu Alaikum,

It is my great pleasure to address you all through another edition of our yearbook. As we come to the end of another academic year, I look back and see a busy year that saw many events, many new initiatives and new successes. I am immensely proud of our students and faculty for their hard work and dedication throughout the year.

As we reflect on the past year, we are reminded of the values that guide us as a school community: Ihsaan, Ikhlaas, Taqwa, Hikmah and I'tidaal. These values echoed throughout the year through different elements of our curriculum. A glimpse of the same can be seen in the work of our students, selected for this yearbook.

I would also like to express my gratitude to our publications team, supported by our academic departments, for their consistent and tireless efforts in bringing this compilation to you.

Finally, I am thankful to Allah for giving us this opportunity to serve this noble mission. May Allah bless our school community and guide us in all our endeavors.

Jazakum Allahu Khairan

EDITOR'S LETTER OF THANKS

Assalam o Alaikum readers,

Presenting to you the second volume of Yearbook for 2022 - 2023.

In Shaa Allah you will certainly enjoy going through it as much as we did compiling and reading it along.

Our young 'Reflectors' will impress you with their English, Urdu and Arabic writing skills where they'll take you to a fantasy world of theirs or excite you with a thrilling and adventurous story, not to forget the beautiful artistic strokes of an abstract piece of art.

I would like to thank all those involved in getting the best out of our students, special appreciation for Ayesha Sultan, Mehreen Faraz, Aasma Agha, Sidra tul Muntaha, Sahar Munir Khan and our Principal Mr. Fahad Haroon for his valuable suggestions and having confidence in us.

Embark yourself on this exciting journey. Happy Reading !

MESSAGE FROM THE HEAD LIBRARIAN

"Reading is essential for those who seek to rise above the ordinary." – Jim Rohn

Reading provides a gateway to new worlds, the readers' understanding, imagination and improving their language and communication skills.

Reflections Library encourages students for independent learning and helps them explore their interests. It impacts positively on the academic performance and achievements of the students. We encourage fiction reading that helps students develop the habit of reading for pleasure and enhances their intellectual, cultural, artistic and emotional growth.

This year, Reflections Library has introduced a Scrabble Club. Scrabble isn't only a game of words and vocabulary, it has a wealth of benefits for children, from developing social skills in a friendly environment, to memory training and even learning how to spell. Classes were conducted by a professional coach from Pakistan Scrabble Association and our students represented our school and scored very well in different Inter school and Ranking Competitions.

To keep motivating our students and creating a healthy competitive environment we had a number of events this year as well:

- Megathon The Library Contest
- Reflections Scrabble Championship
- Mystery Reader
- Behind The Curtains Puppet Show

Following are some more ways to encourage our students for quality reading.

-Comprehension Companion

- -Superstar Reader
- -Amazing Book Review
- -My Reading has Improved
- -Star Reader
- -I was Well Disciplined Today

MESSAGE FROM THE TAFSEER AND ETHICS INCHARGE

With the grace of Allah, we have come to an end of another academic year. I want to take a moment to thank our students and their parents for their dedication to Islamic values and morals. Our subject is committed to providing a strong Islamic foundation through practical lessons and activities to instill the love of Allah, His book and His Prophet.

To the parents, we appreciate your support and encouragement throughout the year. Your involvement in your child's education is invaluable and we hope that you will continue to reinforce these values at home.

To the students, I encourage you to carry these lessons with you beyond the classroom and into the world. Always strive to be the best version of yourself and to embody these values in everything you do.

May Allah guide us all to the straight path and instill in us the love for His teachings. Ameen.

Vajeeha A. Wahab.

MESSAGE FROM THE TARBIYAH INCHARGE

Reflections aims to ensure that every student develops the traits that characterize a God-Fearing leader - a Da'ee of Islam who is a role model for the muslim community.

To ensure this, the Tarbiyah Department adopted a 3 layered programme working on students, parents and teachers simultaneously.

This year saw many classroom activities and workshops related to Tarbiyah from Ramadan Sadqa drive to health and hygiene, and from Haya to managing the tongue. Students from grade 5 onwards also got the opportunity for community service. The highlight being Reflections joining hands with the Indus Hospital and Health Network (IHHN) to serve the underprivileged communities of Pakistan. The students of the middle and the senior section actively participated in the flood relief drives. To ensure our students develop compassion for those less privileged, visits were arranged to the SOS village and the Binte-Fatima Old Home. Various talks and discussions, by renowned scholars like Shiekh Assim Al Hakeem and Dr. Muhammad Salah were held for our students in order to enlighten them about the prevailing social issues and how best to counter them in their daily lives.

Workshops were also held for parents, the highlight of which was a parenting workshop carried out by Mr. Salman Asif Siddiqui from ERDC.

Tarbiyah sessions were held for our staff as well. This year's theme for these sessions was "Lessons from the Prophet (s) as a teacher".

It was a very happening year for us in this department. Hoping for a better one next years to see our students achieve more Tarbiyah goals.

MESSAGE FROM THE PHYSICAL EDUCATION INCHARGE (MALE)

End to an explosive year for the sports department, with several outstanding achievements.

We participated in 26 inter-school events which were organized throughout the city. In addition to that 7 events were hosted at Reflections.

Our inter-house tournaments were also a roaring success. The year also saw a lot of collaborations with other school with many friendly matches being played, allowing our students to compete and showcase their talents in a less formal environment.

In addition to our regular events, we introduced two new events this year athletics championship and a sports excursion trip. These events were met with great enthusiasm and participation, and we look forward to expanding them in the coming year.

We also organized a workshop for our teachers, providing them with valuable insights into the latest trends and techniques in sports coaching.

Best of all, Alhumdulillah, our students achieved a total of 20 victories across all events. We were winners in 6 interschool events, runner-up in 8 events, and secured 3rd position in 6 events. These achievements are a testament to the hard work and dedication of our students and coaches.

I look forward to building on these successes and continue to provide our students with opportunities to excel in sports in the coming year.

MESSAGE FROM THE PHYSICAL EDUCATION INCHARGE (FEMALE)

Alhumdulillah, this was a year for many new initiatives in sporting activities for girls. The year saw our girls participating in the first interschool competition outside school. The year also saw the commencement for football for girls and introduction of crossfit not only as a game, but also as a part of our Annual sports day.

This year, our girls made us super proud by winning various interschool events and also securing a second position in a national gymnastics event. Overall, our teams participated in 7 different Interschool games and we secured positions in six of them, Alhamdulillah.

Our female sports teachers also contributed to this exciting progress through their enthusiasm and hardwork.

The highlight of the year was our "All Karachi Girls Basketball Tournament" for under 15 & under 17 girls. Our girls secured titles in both categories.

In addition, our girls also participated in interhouse contests, friendly matches and alumni matches.

Hoping for more success in coming years, Ameen.

MESSAGE FROM THE ARABIC HEAD (MALE)

Assalam o Alykum,

As the year ends, I am once again asked to write the yearbook's message, and I am pleased to report that this year has been one of great achievements. Our young writers have displayed impressive growth and maturity in their choice of words and ideas, as is evident in their writeups.

One notable achievement is our students' excellent performance in O Level Arabic, which demonstrates their passion and commitment to mastering this important language. In addition, the Annual Seerah Exhibition was a resounding success, with students showcasing their creativity, teamwork, and brotherhood while preparing for this sacred event. It is worth mentioning that our teachers played a supportive role as mentors and guides, allowing our students' original work to take center stage.

The exhibition featured a diverse range of topics, including the Kashmir issue, LGBTQ rights, the impact of social media, Shirk, Seal of Prophethood, and the honor of Sahaba. The model of JF 17 Thunder, which was the centerpiece of the exhibition, received a lot of attention and admiration. We hope that this event serves as an inspiration for others to follow.

The Inter-Class Champions of Arabic competition was a great success, and we also had the pleasure of organizing the Inter-School Arabic Declamation competition, where our students won the team trophy. These achievements are a testament to the passion and dedication of our students and teachers.

We were also delighted to see many of our students express a desire to deliver the Bayan of Jumu'ah. While only a few were given the opportunity due to time constraints, it was inspiring to see their enthusiasm and passion for Islam.

There is so much more to say, but it is impossible to capture it all in a few lines. We pray that Reflections continues to be a beacon of enlightenment for young Muslims, and we ask Allah to guide and bless us in all our endeavors. Amen.

MESSAGE FROM THE PRIMARY COORDINATOR

My dear students,

Assalam o Alaikum

We are about to finish yet another incredible term together. We took a rainy start and Alhamdolillah achieved much more than we had expected. Your energy & love for outdoor games made the sports day lively & fun! A journey around the world in a day was only made possible through your enthusiastic participation. This was not it. From winning interschool Math Smart & English Declamation Contests to Interhouse Science Poster Competition, Word Mania Contest & Pecha Kucha you've nailed it! You also added colours to the Eid party & annual mela was a success only because of your presence.

Keep growing my children & strive to become God fearing leaders, In Sha Allah. Looking forward to another eventful year with you all.

<u>Nida Kausar</u>

MESSAGE FROM THE PRIMARY HEAD MISTRESS

Dear Students,

As we come to the end of another academic year, I want to take a moment to reflect on the hard work, dedication, and perseverance that each and every one of you has shown. You have demonstrated resilience and commitment to your studies, and for that, I am truly proud.

As you head off for a well-deserved break, remember to take time to rest, recharge, and spend time with your loved ones. Use this time to reflect on your achievements and set goals for the upcoming term. Whether it's improving your grades, getting involved in extracurricular activities, or simply finding new ways to challenge yourself, I encourage you to strive for excellence in all that you do.

I also want to thank our dedicated teachers and staff who have worked tirelessly to support you throughout the term. Their commitment to your success is a testament to the spirit of our school community.

Finally, I wish you all a safe and happy break. I look forward to seeing you all back at school in the next term, ready to continue our journey of learning and growth together.

Best regards,

<u>Hajirah Kashif Fazal</u>

MESSAGE FROM THE CLASS TEACHER 1A

Dear students, Assalam o Alaikum

Students are the future hope of a country. A student is like clay which can be molded into any shape. We had a wonderful time together where we got to learn and grow together. It was your enthusiasm and energy that kept us all going. You took me by surprise at the Mega Event, where you performed your best.

My dear students, go ahead in life and make your future bright, never say no to any challenge, face it with dedication and courage; knowledge is open, so welcome it and let success follow you. Turn your pain into smiles, loss into gain, and failure into success with your hard work and dedication.

All the best to my shining stars!

MESSAGE FROM THE CLASS TEACHER 1B

It has been an incredible school year and I am so proud of you! You have worked hard and have made great progress this year. We shared many wonderful memories and had such fun learning! My wish for you is that you keep on learning. Compliment others and treasure your own accomplishments. Try hard but know your own limits. Ask for help when you need it and trust that others will help you.

Fill your heart with laughter and smile, often. I love to see you smile. You are unique, special and amazing. "Think, Dream, Achieve"! You can do anything that you put in your heart and your mind to. Believe in yourself. I will miss you and I hope that you will come and see me.

All the best for Grade 2!

MESSAGE FROM THE CLASS TEACHER 2B

Dear students,

I had an incredible time with you all! We have shared so many wonderful memories and have also had fun learning. I'm so proud to be your teacher. I have learnt many new things with all of you and it was the most wonderful feeling seeing you grow up so fast. I could see the smile on your face when you tackled a new challenge. My wish for you is that you see the light in the world, the light I see in you. Always believe in yourself and make a choice where you have to. Always help others and ask for help whenever you need it and trust others to help you. Always bounce back with new energy if things get you down. Face all the challenges smartly because you are strong. Each day is a new adventure and your learning should never stop. Just know that you all have a special place in my heart.

MESSAGE FROM THE CLASS TEACHER 2C

When a door closes, another one opens!

It's hard to say goodbye. It's an adjustment from welcoming your face at my classroom door each morning. I look at you and realize you aren't the same kids that I welcomed into my class last year. Your style has changed a little as you have grown into yourself a tad bit more. This past year we have grown together. You have amazed me in so many ways. We have made so many memories. We have shared our joys and our heartbreaking moments. We will miss all the things we have done together.

Thank you for being such diligent students. You were always attentive and willing to help other classmates. I appreciate that you have such kind hearts, as well as being super smart. May Allah bless you with victory, endless happy moments,

countless wonderful surprises and infinite success.

To my little hearts,

A big thanks to all of you for making my teaching experience amazing. Teaching you all made me realize that I've learned a lot from you than you have from me. You all are very precious to me. I'm honored to have the opportunity to teach you. You all are really smart and talented. Always maintain this spirit. Never give up and always and keep trying! Insha'Allah, you will succeed in the end. I wish you all a bright future.

MESSAGE FROM THE CLASS TEACHER 2E

To my shining stars,

Teaching you all this year was a pleasant journey. It was a year full of smiles and some tears as well. Ease and difficulty come alongside but what makes it beautiful is the joy of the ease of time which comes after the difficulty. Together, all of us, made it through beautifully and I'm glad to have students like you.

I don't think the word 'students' would honor you all but a 'Bucket Full of Different Flowers' would be the best to describe you, as some of you aced in diligence while others in showing care. Some were helpful while others had a kind heart. But what each one of you had was enthusiasm and willingness to always participate in activities, and this added to the beauty of the year we spent together. I have already labelled you all as my shining stars, because I am certain that your love for learning will take you far in life.

We have made so many memories, from the activities performed together to the field trips taken together, it is now difficult to say goodbye to you all as I have enjoyed every moment teaching you and will miss these times a lot. Wishing you all love and success!

MESSAGE FROM THE CLASS TEACHER 3A

Being a new teacher, I was a little nervous but also thrilled to teach my first ever batch. I can say with guarantee that this year was fun for me as much as it was for my students. With mutual effort and cooperation, my girls have outdone every task and I am so very proud of them. I am truly glad and humbled to be given the chance of sharing the light of knowledge, hope and positivity. I hope that your next year would be filled with even more learning experiences with the best teachers but remember that I will always be there for you.

Dear students, Assalam o Alaikum

It's been an honor and privilege to see you all grow from a bunch of active learners turn into my enthusiastic grown-up kids!

I enjoyed our sessions together and I hope you took as much out of them as I did. This year was full of exciting events from the Poster Competition to the Hifz/ Qirat Competition, your performance is worth a praise! We should not forget the Sports Day in which your participation enthralled every spectator! I can't believe the time's gone so quickly! As you continue through life, never forget to keep learning and keep glowing with your endless efforts, the reward of which will be given to you by Allah (SWT).

Keep growing, keep glowing!

MESSAGE FROM THE CLASS TEACHER 3D

Break a bad habit, learn a new skill, read a new book, or do a good deed!

Despite the challenges we have had, I am glad we have all made it to the end of an academic year. I commend each of you for the perseverance you have shown. You have shown everything is possible if we all put our mind into it. I still remember the day when I entered your class and introduced myself as your home teacher. I didn't know that we will develop a great connection in a very short span of time. The journey may not have been so easy but you have persevered to the end. Your performance throughout the academic year was excellent. I am glad you were involved in several extra-curricular activities like field trip to MagnifiScience Center, salad-making activity, and also not to forget the efforts you have shown during Mega Event preparations.

With dedication and continued hard work, you have proved to others that nothing is beyond our reach. You have been excellent students. I appreciate you for all the memorable moments that we shared together.

MESSAGE FROM THE CLASS TEACHER 3E

Dear students,

We had an exciting and challenging year, but all is well that ends well! Alhamdulillah it certainly has.

It has been a pleasure to be your teacher and get to know each one of you and watch you all blossom. I can't believe the time has passed so quickly. Time flies when you keep yourself busy. As you continue through life, never forget to keep learning and exploring new areas of your interest.

Whenever you think times gone by, remember how we held our heads up high.

I am so proud of you! My best wishes for you all.

MESSAGE FROM THE CLASS TEACHER 4A

Dear students,

As your mentor, I want to tell you that you have the ability to overcome any difficulty. You may not realize it, but you have unique abilities that make you special. Remember that making mistakes is a natural process but you should never be discouraged by those mistakes but use them as opportunities for growth and improvement. Set goals for yourself and work hard to achieve them with determination and always be curious. There is so much knowledge and beauty in the world and it is up to you to discover it.

I am proud of each and every one of you and encourage you to believe in yourself and always pursue your dreams!

"How I spent my Summer Vacations"

The was the most enthusiastic time of the unit. My dad bought tickets for my Annily, ousins and me to baris like when two writed to golde, travelled by plane. It took us one day to reach. We posked the botel and unpacked cur things in the room. The vew troop the wilhold was breath taking and the Eiffel tower was marvelled. The temperature there are normal. I was so joyful and over the moon we shape the two weeks we also went for the king. It was tiving but fun tracking. It was tiving but fun too. It took us two hours to reach home while trekking. This was the most fabulous and memorable time ever with my family and causins.

MESSAGE FROM THE CLASS TEACHER 4B

Dear students, Highs and lows, triumphs and despair, laughter and tears; it is hard to put down the wonderful moments we shared together, caring and cheering for each other. Alhamdulillah it was a very fruitful year, embellished with multiple activities that provided you with an opportunity to grow and groom yourself. Setting goals for yourself and working hard to achieve them is worth praising. You successfully carried the responsibility of being amazing volunteers and learned to be the great leaders of tomorrow. Continue your journey with the same zeal and zest, have faith in Allah Subhanahu wa Ta'ala and don't be afraid of failure. Remember the one who falls and gets up is much stronger than the one who never fell. May your future be filled with joy and success and you grow up to be wonderful human beings!

MESSAGE FROM THE CLASS TEACHER 4C

Whenever I meet you all, it gives me a great sense of achievement. How wonderfully you all have grown after working hard and persevered to get to this finishing line. It was a rewarding year which you met head on, from sports day to declamation and especially Pecha Kucha and poster competition where you secured top positions because of your dedication and creativity. Remember, that your deen and education are an important investment in yourself and your future. They will open many doors and opportunities for you, stay focused and take advantage of the many resources available to you especially given that you all are future Hafiz E Quran, Masha Allah which gives me great pride to be associated with you all. I am here to help you in any way I can, so don't hesitate to ask for guidance or assistance wherever you may be in life.

Keep working hard as you did this year to become the best version of yourselves, and you should be proud of how far you have come. As you move forward in your lives, remember to always strive for excellence and to make your dreams a reality!

MESSAGE FROM THE CLASS TEACHER 4D

"Education is not preparation for life; education is life itself".

In my first year at Reflections I got a batch of seventeen brilliant and enthusiastic students to teach! Your smiling faces and vibrant personalities gave me strength and helped me learn not to give up. We know that teaching is a two-way process and I am delighted to say that I learned several things from you too. It was a great experience being your class teacher and as a subject teacher, it was truly an honor to have such students who take interest in learning and exploring new ideas. I hope that this year will be as memorable for you as it is for me.

Be ambitious and strive for success. I pray to Allah Almighty to shower His blessings on you and may you always be successful in life. Aameen!

MESSAGE FROM THE CLASS TEACHER 4E

Dear students,

"You don't have to be great to start, but you have to start to be great." Fight the fear of failure with a positive attitude towards your studies. It's natural to make mistakes when you're learning something new. Remember, if you're not getting started you can't succeed either. Learning is the only thing the mind never exhausts, never fears, and never regrets.

I wish you all the best in all your future endeavours. May Allah SWT raise you as God fearing and successful leaders. Aameen.

MESSAGE FROM THE CLASS TEACHER 4F

Dear students,

This year was full of hard work and new experiences. Slowly getting to know all of you has been amazing. I have seen you all grow from nervous and shy children to the confident, articulate and motivated young students that you are now. It has been a wonderful transformation, and I am confident that you will take all the skills that you have learned this year with you and continue to be successful in future. I hope and pray to Allah SWT that the next year brings you endless amounts of opportunities to grow and explore the world around you, as you continue in your next class. Always remember, learning does not and should not stop in the classroom it must continue in your everyday life. Strive for the best and always believe that you have the power to do anything you want to with the help of Allah SWT.
