MESSAGE FROM THE PRINCIPAL

Assalamu alaykum,

It is with immense gratitude that I reflect on another year of growth, learning, and community building here at Reflections. Our school is more than just a place of education; it is a place where hearts and minds are nurtured, where values are instilled, and where lifelong bonds are formed. This year has brought its share of challenges, as well as moments of joy. I am continually inspired by the dedication of our students, the support of our families, and the hard work of our staff. I am particularly excited that we inaugurated our swimming pool for middle and senior section students. Insha'Allah, we will see more such inaugurations in the future. As we look back on the memories we have created together, let us also look forward with hope and optimism. May the lessons we have learned and the friendships we have forged sustain us as we embark on new adventures and face new challenges.

To the graduating class of 2024, you leave behind a legacy of respect for teachers and exemplary behavior. You are leaders in every sense. Take the light of faith and excellence you have received from Reflections with you and light up the world with it. I have no doubt that you will go on to achieve great things.

To my dearest staff members, thank you for making Reflections what it is today.

Wishing you all continued success and happiness.

With warmest regards,

Fahad Haroon

EDITOR'S LETTER OF THANKS

Dear Reflections Family,

Compiling the yearbook for the past two years (this being the third one) has been a most rewarding yet challenging experience.

The yearbook in your hands is a little different from previous two years, as this one is theme based giving our young minds a platform to showcase their creativity.

The artistic and smooth compilation wouldn't have been possible without the untiring efforts of my valued team members - Mehreen Faraz, Aasma Agha and Sidra tul Muntaha. Ayesha Sultan for her photographic coverage, not to forget our esteemed Principal Mr. Fahad Haroon for his support.

Jazak Allah to all my colleagues and management for their cooperation and support all along.

I wish these blooming flowers keep adding colour to the yearbook year after year.

Any oversights are deeply regretted as the way forward was to be with minimum omissions.

Happy Reading !

MESSAGE FROM THE SENIOR LIBRARIAN

REFLECTIONS

With the grace of Almighty Allah, another exceptional year has come to an end with many achievements, Alhamdulillah!

Here, I would like to appreciate my team members, students and teachers for their untiring efforts to make this journey so smooth, joyful and valuable.

In addition to our regular reading programmes and events, we introduced few new programmes and organized 2 new events this year:

- Interschool Megathon Contest**
- Interschool Scrabble Championship 2024 (for females) in collaboration with Pakistan Scrabble Association, which were Alhamdulillah a great success and appreciated by different participating schools.**

To further motivate our young readers, we awarded badges to the students who achieved the target of 25, 50, 75 and 100 book reviews this year.

Wishing all the best to everyone in their future endeavours.

Keep Reading and Keep Smiling!

MESSAGE FROM THE PHYSICAL EDUCATION INCHARGE (MALE)

Dear Readers,

As I reflect on another thrilling year of sports at Reflections, I am filled with joy and excitement. The dedication, passion, and sportsmanship displayed by our athletes have made this year truly memorable.

I would like to extend my heartfelt gratitude to my coaches, whose guidance and leadership have played a pivotal role in shaping our athletes into the champions they are today.

As we turn the pages of this yearbook, let us cherish the memories we've created together and celebrate the triumphs, challenges, and unforgettable moments that have defined this year in sports. With 54 diverse sporting events and 17 trophies secured, our dedication and talent shines brightly. Like last year, we also took our students to domestic sports tour where they stayed at SST Public School Rashidabad Tando Allahyar, Sindh.

Another significant initiative which the sports department took this year was to begin professional competitions at the primary section. We believe this will improve sports activities from the grassroots level.

Here's to another year of camaraderie, competition, and countless memories, on and off the field.

Go Reflections!

Mahmood Raza

As we reflect on the pages of this yearbook, let's acknowledge the raw emotions, the silent struggles, and the battles fought behind the smiles of each one of you.

As your school counsellor, I've witnessed your tears, your fears, and your moments of triumph. I've seen the depth of your pain and the brilliance of your spirit. Whether it was providing guidance through academic struggles, offering a listening ear during times of personal difficulty, or celebrating your achievements, it has been truly inspiring to see the ways in which you have overcome adversity and embraced opportunities for growth.

As we look back on the memories we have created together, let us remember the importance of "Personal Space, Respecting Boundaries" is a series of lessons initiated in the Pre-Primary section the aim is to train our young reflectors to respect each other's personal space. "Well-Being Volunteers Club" initiated in the "Senior Section" is a platform where students work for students and teachers' mental health.
