The New House

Grace and her family moved to a new house. It was huge. There was even a third floor. Grace’s mom called it an attic. They moved into the house on a cold winter day.

The next day, there was a storm. There was lots of snow everywhere. It kept falling and falling. Her parents were busy putting things away. Grace played with her toys for a while but then had an idea. She went up to the attic. The attic had a big room and a small room. The small room had a window and an old couch. Grace sat down on the couch and watched the snow coming down. Soon she fell asleep. It was dark when her father woke her up. He thought she had gone outside. Her dad said Grace could have the little attic room all to herself. Grace was happy to have her own special place.
